

Instructions For Completing NCA's Purebred Single Dog Registration Application

1. Please type or print clearly ALL INFORMATION. Any illegible applications will be returned if we cannot read all information requested.
2. A copy of this dog's registration with any NCA recognized registry (see Appendix A - *National Canine Association Rules and Regulations for Canine Registration and Performance Events*) **MUST** accompany this application.
3. Dogs eligible for registration with the NCA **MUST** be registered in **ONE** name only. In the event the dog is owned or registered with another registry by more than one individual, contracts and breeding arrangements may be made between co-owners. However, in dealing with the NCA, only the individual listed as the registered owner will be recognized in all transactions with the NCA.
4. Failure of owner to sign and date this application along with incorrect fee will result in delay of processing registration.
5. Any misrepresentation on this registration application is cause for cancellation and could result in loss of all NCA privileges.
